AFFORDABILITY

You belong to a Scheme that offers great benefits at very competitive rates. Here are three important points that prove the Scheme's affordability.

01 CLAIMS

Cost a lot less because the the Scheme is young and healthy. That means contribution increases can stay low too.

02 CONTRIBUTIONS

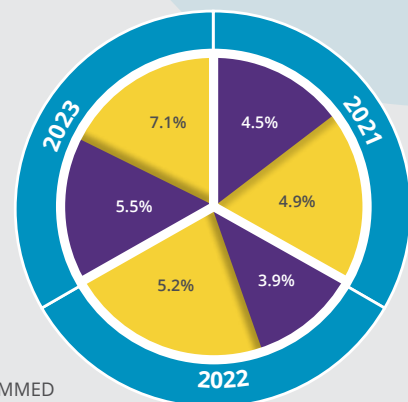

Are a lot more affordable. You pay as much as R2 000 per month less for better benefits than you'd have on a different scheme.

03 RISK

Is shared between a smaller group of members, so adult and child dependants on your membership pay a lot less than they claim.
